

Stonegate
RESORT AT BIG WHITE

Welcome to the most exclusive and luxurious mountain resort at Big White.

Big White has evolved into one of Canada's most sought-after ski destinations. Now you can own a part of it. Stonegate Resort is a skiers' dream. Ski-in ski-out right from your door step and schuss through champagne powder or slalom down one of the many groomed runs. Stonegate's well-appointed residences and on-site recreation facility make this development the most unique and desirable vacation property at Big White.

Location

Stonegate Resort is perfectly positioned on the ski slopes at the heart of Big White Resort.

Located right across from the central village clock tower and directly on Hummingbird run you can ski-out from your door to three chair lifts, including the new “Snow Ghost Express” which is the longest six person high speed chair lift in Canada.

Stonegate Neighbourhood

Step out the door and into your skis and ski straight over to the Ridge Rocket or Snow Ghost Express chair lift and be whisked to the top of the mountain in record time. Spend your day on the Big White slopes, knee deep in champagne powder, or head over to the award winning Telus Terrain Park where the thrill of snowboarding knows no boundaries.

After an exhilarating time on the slopes, store your skis/snowboard in your private indoor locker at Stonegate and walk through the tunnel to the Big White Village for the remainder of the day. Visit the retail and coffee shops, have dinner at a local restaurant or head out for a cocktail to one of the many bars or lounges that have live bands performing regularly.

Stroll down the lit walking path to Happy Valley and take part in exciting winter sports such as skating or hockey on the outdoor ice rink, sliding down the Mega Snow Coaster tube, climbing the 60 foot ice tower, going on a snowmobile or snowshoe tour, or taking an authentic dogsled or horse drawn sleigh ride.

Finish off the night by taking in the fireworks from your private hot tub spa on your balcony at Stonegate Resort, or just curl up in front of your fireplace with family and friends to visit and play board games.

Time is precious...spend it together creating a flurry of memories that will last a lifetime.
